EXPERT STAINLESS STEEL, FOOD  
STORAGE & REFRIGERATED SOLUTIONS**

# COMPANY OVERVIEW

## LAZCO: CUSTOMIZED REFRIGERATION AND STAINLESS STEEL SOLUTIONS

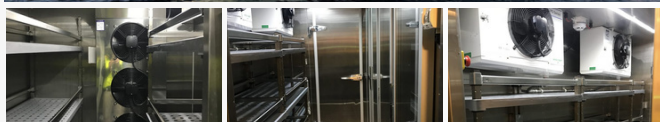

Founded in 1987, Lazco stands as a proudly Australian-owned and operated company, deeply rooted in Western Australia. Renowned for its expertise in refrigeration, food storage solutions, and stainless steel manufacturing, with over four decades of dedication to quality and innovation, Lazco is a trusted name in a diverse range of sectors including marine, hospitality, mining, and medical.

Our foundations are built on direct client engagement, ensuring trust and transparent communication. We're not just a team; we're pioneers in providing custom solutions and comprehensive project management across Perth and Australia wide. Emphasising a quality-first, client-focused approach, Lazco sets new industry standards with each project.

## CLIENT TESTIMONIALS

Lazco Refrigeration were very accommodating, professional and a pleasure to deal with throughout the construction of the Island Market. Lazco's experience helped us design and build a very efficient kitchen and bar area with all manufactured items suiting the application required and manufactured to the highest quality. The build was completed according to plan, on time and on budget. From the initial design process through to the manufacture, supply and installation of the Custom Refrigerated & Hot Cabinets and Stainless Steel components, everything was delivered to schedule was of outstanding quality and workmanship. I would recommend Lazco to anyone that is considering a project similar to Island Market.

**GEORGE KAILIS**  
CEO, ISLAND MARKET

"Lazco's experience and expertise in the commercial kitchen fit-out manufacture sector gives us the confidence we need for the expansion of our bakery business. Our recent venture in Osborne Park is the sixth project Managed solely by Lazco. Their use of highest quality material and workmanship in refrigeration manufacture and stainless-steel fabrication is both meticulous and reliable with longevity which is what we need and value. We would recommend LAZCO to any company that is considering a new project or looking to expand or upgrade their current business."

**KATIE LAI**  
DIRECTOR, GOLDEN BAKERY
